SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	1- All grammar mistakes should be corrected as shown. 2- Some sentences which destroy the flow of explanations should be deleted completely. Such sentences are marked with a pink colour. Some of these sentences also include references. If the sentence is deleted, its place in the references should be controlled again and deleted. 3- In Table 1: - Which products wear the organic seal? - The verb "wear" should be replaced with "have". - What does made with organic ingredients mean? should be written as What does "made with organic ingredients" mean? 4- In Session Content graph "lived up to expectations" should be replaced with "met the expectations" 5- In Session Design "appropriate pace "should be replaced with "appropriate pace" 6- In Table 4: - "Do you prefer organic foods over conventional foods?" The word "over" should be replaced with "to" - "Do you think organic food is pricy?" The word "pricy" should be replaced with "expensive" - "If organic food is sold at a lower price, would you consider buying it more often?" The word "would" should be replaced with "will". "When eating out is organic food a factor in deciding in deciding where to go?" There should be a comma after eating out. 7- The abbreviation PIQ should be corrected since its explanation is changed as "Questionnaire of Purchase Intent" 8- In figure 4 "Probaly will not buy" should be corrected as "probably will not buy".	All changes suggested by the reviewers have been addressed and are highlighted in yellow
