SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments		
Minor REVISION comments	There are many errors in the manuscript (in several place are connected words, after et al., delete a comma etc.). Check and correct all spelling mistakes	Thank you sir for your comments. We agree with reviewer and accept the comments. We have deleted commas wherever it is unnecessary. We have gone thoroughly through the manuscript and have corrected all spellings. Some times two words are coming closure to each other due to some error sir.
Optional/General comments	The paper is very complex and all comprehensive and as such is interesting.
