SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	Authors investigated the changes of ochratoxin A in cowpea during storage with different conservation methods. It is a good work. However, some places need to be modified: 1. "PICS" need list the whole name when it present firstly in this paper. 2. In abstract, the study design should write the experimental process, but not the only prepare of materials 3. The grammar need to further improve	Manuscript has been corrected as suggested by reviewer
<u>Optional/General</u> comments
