**PART 1: Review Comments**

|                                            | <b>Reviewer's comment</b>                                                                                                                                                                                                                                      | <b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b><u>Compulsory</u></b> REVISION comments | General drafting of the paper is good<br>It included abstract, introduction and all other steps as per pattern.                                                                                                                                                |                                                                                                                                                                                      |
| <b><u>Minor</u></b> REVISION comments      | Keep proper line spacing between two words<br>e.g line no. 13, 14, 17, 35, 38, 40, 90, 120, 145, 154, 155, 161, 163, 164, etc check all lines.<br><br>Captions of tables and figures should be at centre. In some cases it is not observed. Make it correctly. |                                                                                                                                                                                      |
| <b><u>Optional/General</u></b> comments    |                                                                                                                                                                                                                                                                |                                                                                                                                                                                      |
