SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	This is a very well written paper emphasising the importance of use of integrated nutrient management practices for improving the crop productivity and soil fertility status. I recommend that the paper can be accepted for publication in its present form.	
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
