SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	None	
<u>Minor</u> REVISION comments	1. Reference "11" is not in the content but listed in the reference list 2. Remove Global positioning system (GPS) from Line 56 and 61 respectively. GPS and coordinates are different. GPS is the tools or equipment employed to get the coordinates and same cannot used to qualify coordinates. 3. Rephrase sentence under (2.2 insect collection). The number of method specified were not the same as number used or itemized in the data collection. Be specific about the number of methods used in the study. (e.g. there were eleven main methods sampling).	
<u>Optional/General</u> comments
