SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	nil	
<u>Minor</u> REVISION comments	language	
<u>Optional/General</u> comments	I have found some deficiency in article like- 1. Summary is too long and require to make short and clear. 2. Some of references is not discussed either in text and references section. 3. Material and methods required still more clear. 4. Required some statistical analysis of data in detail. 5. Result and discussion section require specific of its finding and clear discussion of data with specific references. 6. Acknowledgement requires attention. 7. Arrangement of references require according to journal rules.
