Subject: RE: Request for final decision for manuscript number 2013_AJEA_4929

With reference to our previous correspondence, I send my opinion concerning the manuscript entitled "The Relationship between Phenotypic, Testicular Traits and Serum Testosterone Levels in Pre-pubertal Male Boer Goat Crosses" (2013_AJEA_4929).

I accept this manuscript for publication in AJEA.

The manuscript has been substantially improved during the review process and its current form is acceptable. However, in two places small technical corrections are needed:

line 94 is: wk 0/31 d

 should be: wk 0/131 d

line 179 Please change "SW vs. TT and TT vs. CG" to "SW with TT and TT with CG"
