

**SDI Review Form 1.6**

|                          |                                                                                                                               |
|--------------------------|-------------------------------------------------------------------------------------------------------------------------------|
| Journal Name:            | <a href="#">Asian Journal of Economics, Business and Accounting</a>                                                           |
| Manuscript Number:       | Ms_AJEBA_35580                                                                                                                |
| Title of the Manuscript: | CRITICAL FACTORS FOR SUPPLIERS' ASSESSMENT AND SELECTION: EMPIRICAL EVIDENCE FROM PUBLIC INSTITUTIONS IN A DEVELOPING COUNTRY |
| Type of the Article      | Original Research Paper                                                                                                       |

**General guideline for Peer Review process:**

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

**PART 1: Review Comments**

|                                     | Reviewer's comment                                                                                                                                                                                                                                                                                                                                                                                                                       | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|-------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Compulsory</b> REVISION comments | <ol style="list-style-type: none"> <li>In Tables 2 and 3, the authors used some abbreviations such as SA, A, NS, D, SD. Suggest listing their full names, all these full names can be expected.</li> <li>In the 571th line of this article, the authors recommended that modern performance tools to enable effective assessment of suppliers' performance. Suggest providing some examples of such modern performance tools.</li> </ol> |                                                                                                                                                                               |
| <b>Minor</b> REVISION comments      | Check the formats of References [1] and [4]. If the authors desired that all the journals' names are presented with italic characters, suggest no exceptions are allowed.                                                                                                                                                                                                                                                                |                                                                                                                                                                               |
| <b>Optional/General</b> comments    | NA                                                                                                                                                                                                                                                                                                                                                                                                                                       |                                                                                                                                                                               |
