PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	The sources are rather old. There should be some more recent sources on the subject.	I agree with your comment and have added some recent and relevant sources to the work.
<u>Minor</u> REVISION comments	Carry out grammar and spell check	I have corrected some identified grammatical and spelling errors to the best of my knowledge.
<u>Optional/General</u> comments	An interesting study that can inform the public about the teaching profession for current and future teachers. Knowledge of such attitudes can help shape the current practitioners.	Thank you very much for your positive view on the importance of this research work.
