

Editor's Comment:

I have received a negative recommendation on your manuscript Ms_AJEE_36421 entitled "STATUS OF WETLANDS IN COIMBATORE DISTRICT, TAMILNADU, INDIA" from the reviewers.

This paper lacking the supporting material to prove the results, poor language, poor methodology, etc.

I concur with the reviewer's recommendation, and at this point your manuscript cannot be accepted for publication in Asian Journal of Environment & Ecology.

Thank you for considering Asian Journal of Environment & Ecology. I hope the outcome of this specific submission will not discourage you from submitting future manuscripts.
