PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	-Check the layout of the Journal so that the article material can be reorganized along those lines. -Proofread your entire article to clear all errors and mistakes. -The areas of study have been mentioned and yet the focus is on the Park. Can this be reconciled? -Strengthen your conclusions with facts -How was secondary data generated? Make clear	Ok, Since the study area is Pandam Wildlife park, in the text i choose to use park referring to PWP. secondary data generated through Literature
<u>Minor</u> REVISION comments	None	
<u>Optional/General</u> comments	Findings are very interesting
