**PART 1: Review Comments**

|                                            | Reviewer's comment                                                                                                                                          | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here) |
|--------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b><u>Compulsory</u></b> REVISION comments |                                                                                                                                                             |                                                                                                                                                                               |
| <b><u>Minor</u></b> REVISION comments      |                                                                                                                                                             |                                                                                                                                                                               |
| <b><u>Optional/General</u></b> comments    | I like this manuscript. It's a simple view and a superficial research, properly of initial investigation, I hope. But it's very objective and well written. |                                                                                                                                                                               |
