PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	I think only four reference are not enough for scientific paper.	
Minor REVISION comments	What method used in the manuscript? Please indicate outlines of qualitative research.	
Optional/General comments	If the author can add some validity and reliability works of study it will be better. Tables and figures could make the manuscript much more attractive.
