PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	Excellent and original article which deals with quite an interesting topic, being smoothly analysed and presented in a proper and academic way. Both the textual analysis and the final conclusion sections are excellent with a careful analysis of the work studied.	
Minor REVISION comments	I would recommend the author to include a certain revision of previous works on this topic in the introduction part so as to check it out with other perspectives and positioning.	
Optional/General comments
