PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	The Article is well written and properly articulated. The title of the Article is in consonance with the discourse contained in the body of the work however in recent times the use of “third World Countries” is being replaced with “Developing Countries” as third world connotes backwardness.	
Minor REVISION comments	In line 160, 180 and other lines, the article 'a' is used with adopted. Rather than 'a', the article 'an' should have been used. The author may want to take another look at it.	
Optional/General comments	The essay is apt, topical and quite relevant within the context of the Taiwanese society
