SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	none	
Minor REVISION comments	Consider having an English editor go over and revise awkward wording... for example medicinal errors is usually stated "medical errors" No ethical issues emerge in this research report.	Thanks so much for the kind comments. We have corrected grammatical mistakes and have asked an English native speaker to edit the manuscript. About ethical approval, the paper is not applicable.
Optional/General comments	Application of HFMEA methodology correct.
