

**SDI FINAL EVALUATION FORM 1.1**

**PART 1:**

Journal Name:	<b><u>Asian Journal of Medicine and Health</u></b>
Manuscript Number:	<b>Ms_AJMAH_33128</b>
Title of the Manuscript:	<b>SEROPREVALENCE OF HIV, HBV and HCV AMONG PRISONERS IN SOKOTO, NIGERIA</b>
Type of Article:	<b>Original Research Article</b>

**PART 2:**

<b>FINAL EVALUATOR'S comments on revised paper (if any)</b>	<b>Authors' response to final evaluator's comments</b>
<p><b>Many thanks for authors for al explanation about study area, but there is no need for this part as a result all study duration was finished in three months. I think you must delete this part (study area) and put this sentence (The study area for this research is Sokoto State) with in next paragraph (Study Setting).</b></p> <p><b>Why you added this part (Calculation of Sample Size). This is many details which supposed to be in the end or in supplementary data</b></p>	

**Reviewer Details:**
