Manuscript Number:	Ms_AJMAH_45368
Title of the Manuscript:	OCCUPATIONAL HAZARDS AND SAFETY PRACTICES OF REFUSE COLLECTORS IN OBIO/AKPOR LOCAL GOVERNMENT AREA OF RIVERS STATE
Type of Article:	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
The Author has addressed the issues raised in the first submission. I find his review of the Abstract appropriate to support his objectives. The inclusion of more tables to provide explicit explanation of his study is quite commendable.
