SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments	Description of the effects of caffeine that affect the production of free radicals. Description of how ROS react with diverse cellular components in a destructive way.	This has been done as requested A brief description has been included in the write up
<u>Minor</u> REVISION comments	The positioning of the paper needs to be improved. For example, the authors can introduce caffeine before mentioning the effects of it.	The paper has been repositioned such that the description comes first before its effects
<u>Optional/General</u> comments	The paper needs professional proofreading.	This has equally been done
