SDI Review Form 1.6

**PART 1: Review Comments**

	<b>Reviewer's comment</b>	<b>Author's comment</b> (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	<b>60-70% of the introduction is copied and pasted and considerable writing in own words is strongly recommended. The grammar of whole manuscript needs to be revised.</b>	Many thanks, we will try to rewrite in own words.
<b>Minor</b> REVISION comments	<ul style="list-style-type: none"> <li>- the patient's blood flows through a filter in a dialysis machine.(no need for this sentence)</li> <li>- Consider revising the sentence starting with they in line 40</li> <li>- Prevalence of patients was 54 increased among a years of study from 78 in 2013 to 228 in 2016. (This sentence needs clarification) The last sentence is Materials and Methods needs rewriting. <b>The grammar of the Results needs to be revised</b> <b>Ethical approval must be mentioned</b></li> <li>- The references in the bibliography should be numbered to match those in the text.</li> </ul>	Thanks We have a lot of difficulty to get Ethical approval as a result of political situation in capital city. In our previous paper we get Ethical approval in similar work and same area but in different department at hospitals. Is this gone be fine?
<b>Optional/General</b> comments
