<p>I am recommending a minor correction in the title of the manuscript as mentioned bellow. As the word sea is used in the title therefore no need of the word "marine" again, it is just repetition.</p> <p>Antimicrobial and anti-inflammatory effects of two red algal species isolated from Quseir, Red Sea, Egypt</p> <p>OR..... The title of the manuscript can be written as</p> <p><b>"Isolation of two red algal species from Quseir Red Sea, Egypt: Antimicrobial and anti-inflammatory Analysis."</b></p>	<p><b>The title was changed to</b>  <b>Antimicrobial and anti-inflammatory effects of two different marine red algae species collected from Quseir, the Red Sea, Egypt</b></p>
