SDI Review Form 1.6

PART 1: Review Comments

| | Reviewer's comment | Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i> |
|--|--|---|
| <u>Compulsory</u> REVISION comments | | |
| <u>Minor</u> REVISION comments | The purpose of the paper is accomplished; it brings clarifications related to the effect of caffeine upon fecundity and offspring birth weight in murine model. The data obtained in this paper provide useful information on the effect of caffeine in lower, medium and high doses. The paper is written in accordance with the journal requirements but there are some misspellings in the text that should be corrected. | Comment is greatly appreciated; we agree with the reviewer on the positive comment |
| <u>Optional/General</u> comments | | |
