FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
Dear Colleague, I appreciate the efforts of authors in revising the manuscript. However, still I can see some minor corrections needed in the manuscript text. 1) In line 66, pag-3, 'into powders stored' add 'and' and write it as 'into powders and stored...' 2) In Table-3, Please cross-check the units for Vit. E (mg/100g) which is different than other Vitamins (mg/100ml) 3) In line 242, and large D. eludis examined in, which part of the plant the authors talking about is not clear. 4) I will suggest the authors to check for grammatical corrections once more.
