**PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b>Compulsory</b> REVISION comments	This paper needs minor corrections. It is not well written document, but the appreciation goes to the idea they projected through review. While writing review one or two his research work on the review topic needs to be quoted, then it is well established fact that he/she is eligible to write review. otherwise it has become collection of the secondary data	
<b>Minor</b> REVISION comments		
<b>Optional/General</b> comments
