SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	<p>This is a coherent research work with good methodological organization.</p> <p>The results show the benefits of the cross between parental materials of okra and the species of dwarf or shrub okra, whose result is a F1 with better concentration of vitamins and spineless in the fruits.</p>	
<u>Minor</u> REVISION comments	I suggest that the title be modified in the following: the word nutrients should be replaced by Vitamins	
<u>Optional/General</u> comments
