

**Editor's Comment:**

Authors were revised the article manuscript number 2017\_AJOB\_38023 as per suggestion given by reviewers. The paper has been revised according to the comments and suggestion and appears of better quality. Some minor revisions should still be conducted. Especially in the reference section.

Valuable review comments of manuscript, reference number: 2017\_AJOB\_38023 are included in the appendix.

The article can be accepted for publication after minor changes.
