PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	1. The author gave brief explanation to all the plants extract used but failed to give such description to the fish used. So brief description about the fish should be provided. 2. Also the author should explain how he or she arrived at the sample size of 370 fish	This has been done and highlighted. This has been explained and highlighted.
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
