PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
Compulsory REVISION comments		
Minor REVISION comments	References should be given as an internal and not all numbers consequently.	I have used latex template of this journal to prepare my manuscript. Thus, I feel there is no need for its change. It would be taken care at copy editing stages.
Optional/General comments
