

Editor's comment:

There are some comments such as below:

[a] Incorrect format in reference. Please inform author to read guideline carefully.

1. Hilly M, Adams ML, Nelson SC. A study of digit fusion in the mouse embryo. Clin Exp Allergy. 2002;32(4):489-98.

[b] Incorrect format in abstract part.

Please read SAMPLE ABSTRACT. Based on sample abstract, it should contain aims, study design, place and duration of study, methodology, results, and conclusion.

[c] Typo error is found in Table 1. IUPCAC name [wrong]; IUPAC [correct]

Author's feedback:

[a] The format of reference list carefully overviewed and corrected as editor suggested.

[b] The ABSTRCART carefully overviewed and format corrected as editor suggested.

[c] Typo error is in Table 1. Corrected as; IUPAC.

Thank you very much for this valuable suggestions and corrections. I have already corrected my manuscript as editor and reviewers suggested
