

**SDI FINAL EVALUATION FORM 1.1****PART 1:**

Journal Name:	Asian Journal of Chemical Sciences
Manuscript Number:	Ms_AJOCS_36886
Title of the Manuscript:	Treatments of Recycled Pulps from Old Corrugated Containers. Part II. The Effects of Boron Compounds on Strength Properties
Type of Article:	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
<p>I am very much sorry to say that the concern author of the paper only corrected the paper on their own mind. they have not followed single comments. Even suggested references are not also added.</p> <p>As per my recommendation, I am rejecting the manuscript for tremendous casualty in answering the comments.</p>
