

SDI Review Form 1.6

Journal Name:	Asian Journal of Chemical Sciences
Manuscript Number:	Ms_AJOCS_39509
Title of the Manuscript:	Extraction and Evaluation of a Saponin-base Surfactant from Cissus populnea Plant as an Emulsifying Agent.
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	No comments Plagiarism issue: IJISSET - International Journal of Innovative Science, Engineering & Technology, Vol. 2 Issue 7, 733-737, July 2015	This is an original research article, the content of this manuscript has been carried out accordingly in Adamawa state, Nigeria. The said IJISSET - International Journal of Innovative Science, Engineering & Technology, Vol. 2 Issue 7, 733-737, July 2015 is titled Extraction And Evaluation Of A Saponin-Based Surfactant From <i>Balanites Aegyptiaca</i> Plant As An Emulsifying Agent. While this current manuscript is titled Extraction and Evaluation of a Saponin-base Surfactant from <i>Cissus populnea</i> plant as an Emulsifying Agent. The samples are different and has been highlighted for clarity. Also work has been cited and referenced accordingly.
<u>Minor</u> REVISION comments	No comments	
<u>Optional/General</u> comments	This manuscript was already published in 2015 in the journal IJISSET – (International Journal of Innovative Science, Engineering & Technology, Vol. 2 Issue 7, 733-737, July 2015). The content of this manuscript is a copy of the already published, it does not present any novelty.	Working on a new plant sample present novelty sir.
