

### **Editor's Comments**

There are some errors could be found.

[1] Abstract-incorrect format

[2] Equations should be numbered consecutively

[3] Journal name should be written either in full name or abbreviated name, but not a mixture of both

### **Author's feedback**

All the comments had been attended. Abstract was rewritten in the required format. Equations had been numbered and cited in the text. Journal's name had been written in the complete form.
