PART 1: Review Comments

	Reviewer's comment	**Author's comment** (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	- **In the introduction, I recommend strongly to authors to do improve the introduction putting more hystorical elements and discuting some works about the application of the subject presented.** - **In results and discussion, I ask to authors: What are the physical consequences of these mathematical results?**	
Minor REVISION comments	- **The formulas are difficult to read and even ugly. I recommend using the latex to type them.**	
Optional/General comments
