First one, the total content needs to rearrange with the recommended manuscript structure or format, like <b>section</b>, <b>subsections</b> etc. that instructed by <b>Asian Journal of Research in Agriculture and Forestry</b>. Provision of page numbers will help to rearrange the content. The second and important one is <b>references</b>. References portion need some concentration till now. References are not arranged yet according to the recommended format of <b>Asian Journal of Research in Agriculture and Forestry</b>. Moreover, two references are not found in contents, such as, reference no. 5 and 7.</p>	<p>Respected sir,</p> <p>Thanks for providing valuable comments on my research article, I revised the paper according to your given suggestion and rewritten the points as suggested by you, still if there any error persist i shall be ready to correct it after your valuation. I have made necessary changes and arrange the paper according to AJRAF format, I have included the Reference (5 and 7). And arranged the reference in correct manner.</p> <p>Thanks With Regards</p>
