General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	It is preferable to change the title as you have not regenerated triploid plants . You are in the triploid Callus stage. Development of triploid callus of Hevea brasiliensis using endosperm	Revised title
Minor REVISION comments	- Line 44 (miss bibliographic reference) which can combat phytophthora disease thereby making the tree resistant to this disease ?????? - Only one reference bibliographic in introduction part (It's insufficient) - Line 208 : effect of growth regulators (BA and NAA)... - Table 1 : CD????? - Subtitles in tables or figures should be written in smaller sizes than text	All the suggested comments are incorporated
Optional/General comments
