**PART 1: Review Comments**

|                                     | Reviewer's comment                                                                                                                                                                                                                                                                                                                                                                                                                                                                    | Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)                                                                                                                  |
|-------------------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>Compulsory</b> REVISION comments | <ol style="list-style-type: none"> <li>1. Re structure the introduction as suggested in the main paper</li> <li>2. Italized the key words</li> <li>3. Learn to show the exact table when explaining your</li> <li>4. The first paragraph has not references and move to third paragraph. Please provide reference.</li> <li>5. Support weather statement from Meteorological Dept</li> <li>6. Start the introduction with paragraph 3 and take paragraph 1 with paragraph.</li> </ol> | <ol style="list-style-type: none"> <li>1. Introduction restructured with additional literature.</li> <li>2. Key words italicized as directed.</li> <li>3. Appropriate citations introduced and also referenced.</li> <li>4. Introduction restructured and suggestion complied with.</li> </ol> |
| <b>Minor</b> REVISION comments      | <ol style="list-style-type: none"> <li>1. Abstract- well written but currency has to be written in full before figure. It does look like currency at all. One hundred and twenty-six thousand and forty-one naira (N126,041).</li> <li>2. Few references used for the paper</li> </ol>                                                                                                                                                                                                | <ol style="list-style-type: none"> <li>1. The currency has been written in full and the correct naira sign introduced accordingly.</li> <li>2. References are added to make the write more encompassing.</li> </ol>                                                                            |
| <b>Optional/General</b> comments    | The paper should be accepted when these changes are made.                                                                                                                                                                                                                                                                                                                                                                                                                             | <p><b>Note:</b> All corrected lines are highlighted in green colour for clearer visibility.</p> <p>Thank you.</p>                                                                                                                                                                              |
