

Editor's Comment:

I completed the review process of This paper Titled "In vitro Potential of Aqueous Extracts of Plant Leaves to inhibit Pathogenic Fungi".

Please see the below about my comments on the paper:

It is well-marked that this paper would have a little formally errors.

Please convert to "L" from "l" the liter.

It may be an incremental contribution of the manuscript to the field..

This paper is acceptable with minor revision and useful for publish in your journal.
