

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	Asian Journal of Research in Biochemistry
Manuscript Number:	Ms_AJRB_42223
Title of the Manuscript:	THE EFFECT OF PROTEIN TYROSINE PHOSPHATASE 1B INHIBITOR ON GLUCONEOGENESIS INVITRO
Type of Article:	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
The title should be revised to "An experimental model of hepatic steatosis with lipid over accumulation <i>in vitro</i> " according to the aims. Then the contents should be revised, because of losing the data about PTP1B inhibitor and gluconeogenesis.
