

SDI FINAL EVALUATION FORM 1.1

PART 1:

Journal Name:	Asian Journal of Research in Biochemistry
Manuscript Number:	Ms_AJRB_42223
Title of the Manuscript:	THE EFFECT OF PROTEIN TYROSINE PHOSPHATASE 1B INHIBITOR ON GLUCONEOGENESIS INVITRO
Type of Article:	Original Research Article

PART 2:

FINAL EVALUATOR'S comments on revised paper (if any)	Authors' response to final evaluator's comments
Figure 2 is still unacceptable. Two points only for the graph. The authors did not the importance of the data of protein concentration in Table 1. Finally, Figures 4 and 5 could be merged in one figure with different panel (A, B, C...etc). In this case, the figure caption will be "Fluorescent intensity of unstained control, stained control and treated HepG2 cells".
