**PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b><u>Compulsory</u></b> REVISION comments		
<b><u>Minor</u></b> REVISION comments	<ul style="list-style-type: none"> <li>- given the fact that there are already many studies on this subject, it would be very useful to add comparisons with such studies to validate the results obtained;</li> <li>- from the same point of view, it would be useful to add results from the same category in the literature review</li> <li>- due to the subject, the use of more recent references would be absolutely necessary</li> </ul>	Agreed, I have added four more recent references. The literature review has some comparative studies although not very similar.
<b><u>Optional/General</u></b> comments	it would be useful to add date labels to charts	Not sure what the reviewer means, Date or Data? But I have added the Data level on both axis.
