

#### **EDITOR'S COMMENT**

(i) **Full meaning of "AUC";**

(ii) Sub-section: **Domain understanding (Delete "*familiarizing*")**; (iii) Sub-section: **Comparison with Results from Previous Work**

**(Delete "*and*")**; this is as pointed out in the revised manuscript as attached;

#### **AUTHOR'S SUGGESTION**

- i. Full meaning of AUC has now been given in full within the abstract.
- ii. "*familiarizing*" has been deleted from the **Domain Understanding** subsection
- iii. "*and*" has now been removed from the subsection **Comparison with Results from Previous Work**
