PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments		
<u>Minor</u> REVISION comments	<ul style="list-style-type: none"> - given the fact that there are already many studies on this subject, it would be very useful to add comparisons with such studies to validate the results obtained; - from the same point of view, it would be useful to add results from the same category in the literature review - due to the subject, the use of more recent references would be absolutely necessary 	
<u>Optional/General</u> comments	it would be useful to add date labels to charts
