

**Editorial comments:**

After reviewing I suggest the Ms "Effects of Lead on Different Seedling Growth Attributes of Cowpea (*Vigna unguiculata* L.)

On condition that Author (s) meticulously correct all grammar, punctuation marks and other technical areas highlighted in red and yellow in the text

**Author's comments:**

I am thankful to the editor for the improvement of our manuscript entitled "Effects of Lead on Different Seedling Growth Attributes of Cowpea (*Vigna unguiculata* L.) and find it in an attachment file as suggested on line number 38, 48, 71, 77, 80, 88, 91, 93, 99, 103, 106, 112, 116, 121, 126, 130, 138, 142, 145, 154, 158, 162, 170. The bracket is removed, sentence started with Root, deleted and inserted text and Vigna inserted instead of V.
