**PART 1: Review Comments**

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<b><u>Compulsory</u></b> REVISION comments	The article could be shortened. The language needs to be edited. The subject matter is relevant. Green tea could be a beneficial to diabetic patients. It cannot be categorically said that it improves all the parameters studied. Obesity is the major cause of diabetes and insulin resistance. Green tea compounds-phytochemicals could be beneficial as one of the components of their diet.	I agree with reviewer. The necessary corrections have been made.
<b><u>Minor</u></b> REVISION comments		
<b><u>Optional/General</u></b> comments
