

SDI Review Form 1.6

| | |
|--------------------------|---|
| Journal Name: | Asian Journal of Research in Medical and Pharmaceutical Sciences |
| Manuscript Number: | Ms_AJRIMPS_43512 |
| Title of the Manuscript: | Hepatoprotective and antioxidant activity of Enicostemma littorale against CCl4 induced liver damage in rats |
| Type of the Article | Original Research Article |

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:
