

SDI Review Form 1.6

Journal Name:	Asian Journal of Research in Medical and Pharmaceutical Sciences
Manuscript Number:	Ms_AJRIMPS_44753
Title of the Manuscript:	A retrospective study to analyze the efficacy of ceftriaxone+sulbactam+EDTA combination for complicated urinary tract infections in diabetic patients.
Type of the Article	Original Research Article

General guideline for Peer Review process:

This journal's peer review policy states that **NO** manuscript should be rejected only on the basis of '**lack of Novelty**', provided the manuscript is scientifically robust and technically sound. To know the complete guideline for Peer Review process, reviewers are requested to visit this link:

(<http://www.sciencedomain.org/page.php?id=sdi-general-editorial-policy#Peer-Review-Guideline>)

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Compulsory REVISION comments	<p>the authors describe a retrospective study to investigate the efficacy of ceftriaxone+sulbactam+EDTA for complicated urinary tract infections in diabetic patients. The results are interesting but require statistical analysis to confirm the efficacy of the combination ceftriaxone+sulbactam+EDTA.</p> <p>a statistical analysis of the results should be performed to confirm the efficacy of the combination of ceftriaxone+sulbactam+EDTA</p>	<p>Whatever way possible, the statistical analysis has been done. The efficacy of the combination of ceftriaxone+sulbactam+EDTA can't be tested statistically as there is no comparator.</p>
Minor REVISION comments		
Optional/General comments		

PART 2:

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
Are there ethical issues in this manuscript?	(If yes, Kindly please write down the ethical issues here in details)
