SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	1. It is necessary to state the background of the experiment at the beginning of abstract (1-2 sentences) 2. Please rewrite the objective of the experiment in abstract (line 8) 3. Please add the transition sentence inline 27 (Introduction) between expalantion of the crop advantages and the need of N for its growth to make smoother the two differences of topic focus. 4. Transition sentence should be written at the end of first paragraph of Inroduction or at the beginningof second paragraph so that the change of focus is smoother. 5. Experimental design should be presented in Materials and Method.	Thanks, OK, done.
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments	1. The manuscript was written fairly good. Minor revision is necessary.
