SDI Review Form 1.6

PART 1: Review Comments

	Reviewer's comment	Author's comment <i>(if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)</i>
<u>Compulsory</u> REVISION comments		The reviewer's comments are welcome and are taken into account.
<u>Minor</u> REVISION comments	In particular, the given sentence should be checked Page:1- Line: 15 Negative impact or positive impact.	Did you mean the lines 118-120 in the attached manuscript pdf file? It was modified. - The sentence has been modified. The negative impact is associated with the deficiency in some necessary micronutrients. I think that the positive impact will be associated with pollution by such elements at their high concentrations.
<u>Optional/General</u> comments
