PART 1: Review Comments

	Reviewer's comment	Author's comment (if agreed with reviewer, correct the manuscript and highlight that part in the manuscript. It is mandatory that authors should write his/her feedback here)
<u>Compulsory</u> REVISION comments	Title of the article is inappropriate. Introduction section is ill organized. Lack key messages. Does not describe the importance of this study. Line: 48; 48 liters of soil? Should this not be kg? Materials and Methods section is too short, not appropriate. Only three parameters were show in results section.	Everything was checked and corrected when possible.
<u>Minor</u> REVISION comments		
<u>Optional/General</u> comments
